Forest Park Civic Association

July 2013

4th of July Parade - 11:00 a.m. **Karl Road from Morse to 161**

The Northland Community will step off its 52 annual parade. The theme this year is
"Northland International Celebrating America."

Our goal is to have at least one person from each continent as our Grand Marshal.

The Hadler Realty Company, Columbus Square and the Columbus Square Bowling Palace once again are our sponsors. In addition to a most generous sponsorship, Hadler has once again given \$200 to any civic association toward building a float.

The review stand will once again be at Sandalwood. Many of the churches along the route have post parade events which include food and drink.

Any concerns or questions, contact George georgeschmidt@wowway.com

Bikes & Trikes Parade

The "Dick Buttermore" Bikes & Trikes Contest and Parade will again be part of the Northland Independence Day Parade. We will kick this off at the parking lot in front of the Woodward Park Middle School at 10:15 am.

Bikes and tricycles should be decorated, and will be judged in three separate categories of PATRIOTISM, ORIGINALITY, and PRETTINESS. First, second and third place prizes will be awarded for each of these categories. Then, around 11:30, the bikes and trikes will join the parade under supervision behind the Forest Park contingent of the parade.

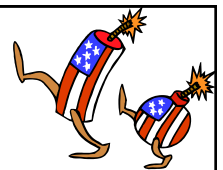

Younger entrants can exit the Parade at Sandalwood, and those who have the endurance may proceed to the end of the parade route at the parking lot of Roses. Tricycle riders and training wheel bike riders should be accompanied by a parent during the parade. Come celebrate the 4th of July with us and be in the parade. Any questions, call Jenni O'Malley at 901-9543

Northland Independence Day Parade

March with other members of the Forest Park Civic Association in the Northland Independence Day Parade on July 4th. The overall theme of the parade is Northland International, and Forest Park will be saluting

this theme by celebrating the world's sport: soccer. If you want to march with us (about two miles), contact FPCA Vice President Ken Gilbert, who will be the parade marshal for the Forest Park section, at kgilbert78@att.net or 888-3559, so we know how many shirts to bring. We will assemble at the old Chesrown Olds dealer at Morse and Karl at 10 am on the Fourth, with the parade stepping off at 11 am. Look for Ken. All ages are welcome. If you can't march, come out to watch!

"United We Stand Taller!!"

By Mike Stone, FPCA President

Happy early Independence Day. For me, this is one of my favorite celebrations. Unlike Memorial Day, where "remembering our fallen heroes" disturbingly becomes secondary to "the unofficial beginning of summer," Independence Day is a far happier setting. It's a day to forgo our political and historical criticism and celebrate the remarkable freedoms we possess. We celebrate our unity as we pursue our individual passions. It's the American Dream.

In this neighborhood, we have this unity. People live here because it best helps them pursue their needs and passions. To ensure that happens, we stand together to strengthen our community. Many work with the civic association. Many work with the block watch. Most look out for their neighbors' homes (some go as far as to cut the grass of unoccupied homes--Thank You!!). Nearly all maintain and beautify their yards. Almost everyone has respect for those living around them. Let's build on this energy and bring more people on board. When our community becomes more active, we each become more blessed.

In previous issues, I have discussed the need for all residents to be aware of the problems surrounding their immediate areas. Most of these come in the form of code issues such as high grass. I ask that you first determine the source of the problem (perhaps it's an unoccupied home or has a resident physically unable to maintain the property). If there seems to be no solution, then notify the City of Columbus at 645-3111, or go online to www.311.columbus.gov. Get fellow neighbors to register the same concern. Then send the case number to either myself (msto0103@yahoo.com or 614-218-1788) or Ed Vanasdale (evanasdale@insight.rr.com or 847-1494). We'll continue to monitor it along with other cases. If you're waiting for another to notice your problem and take action, then be very patient.

In January, a fire at 1299 Boxwood Dr. permanently devastated this unoccupied home. Being at the border of Woodward Park, it was an ugly eyesore. In the spring, the grass began to grow out of control and there was next to no movement to improve the situation. Then a HUGE number of Forest Park residents united, each registering a 311 report about this property. Fourteen days later, the city sent us this message:

******The building department already issued orders for the property and has recently sent it over for court action. The City really can't tear anything down unless we get a court order to do so. We are moving as fast as the law allows. The grass should be cut by a city contractor any day now per ****, as he put a rush on this one.*** If you know any of the people around this property or if they have called you about it, please let them know the City is doing all it can right now and there is no need to continue to file service requests.

The matter is not yet solved to anyone's satisfaction, but this exercise shows the value of a large, active voice. There's a lot we can do when we come together. **Happy 4th!!**

Welcome to the new director of the North YMCA, Marci Hasty

Summer Day Camp registration is now open and fills quickly - don't wait to register! The YMCA received grant funding through Step Up To Quality and Scotts Miracle Grow to build a large garden in our backyard. Our YMCA staff and volunteers have spend the last couple of weeks constructing the garden. The fruits, and vegetables, of their labor will be used by the children in our before/after care during summer camp.

We had 130+ seniors involved with our Silver Sneakers program at the Y to enjoy a luncheon in late April. Monthly activities are planned for seniors through the new Silver Sneakers club "S.E.L.F - Seniors Enjoying Lifetime Fitness". Please visit the Y to learn how to get involved!

In June we are kicking off another session of our YMCA Diabetes Prevention Program. The program, which is led by a trained Lifestyle Coach in a classroom setting, is delivered over a 12-month period, beginning with 16 weekly sessions followed by monthly maintenance. In order to qualify, participants must be at least 18 years old, overweight (BMI >25) and at high risk for developing type 2 diabetes or have been diagnosed with prediabetes. Individuals who have already been diagnosed with either type 1 or type 2 diabetes do not qualify for this program. Call or visit the Y for more information.

The North YMCA's People Helping People annual fundraising campaign is in full swing. YMCA volunteers, known as Champions, have been busy advocating for the Y and enlisting support for the programs we offer. The funds raised help support all of the programs we offer right here at the North YMCA for our children, teens, families, and seniors here in our community. Please feel free to contact, Marci Hasty, executive director at 614-885-4252 or mhasty@ymcacolumbus.org to find out how to get involved or give. Many thanks to the Y Champions and donors who live and work in Forest Park for your involvement and commitment!

Thank,
Marci

Blockwatch

July 2013

The Forest Park Block Watch holds their meetings on the 4th Tuesday of every month at 7 pm at Epworth Methodist Church, 5100 Karl Rd. All Forest Park residents are welcome and encouraged to attend. You can find more information on our web site: <http://blockwatch.fpcivic.org/>.

Our tip for the month involves garage doors. Don't leave your remotes in your car. It's easy for a thief to break in that way, and the door between the garage and house is often thinner and easier to break down. Also, care should be taken when you are doing yard work. It only takes a minute for a thief to either steal something from the garage or break in, if the door is left up and unattended. If you see your neighbor's garage door open with no one in sight--let them know.

Epworth United Methodist Church
5100 Karl Rd. - Columbus, Ohio

Past members, attendees sought for Epworth
 50th anniversary observance on September 22, 2013

You're invited to a September homecoming.

As Columbus was growing in the early 1960s, so were the seeds of Epworth United Methodist Church in 1963. This year, the church is celebrating its 50th anniversary with a special observance on Sunday, Sept. 22. If you are a former member or have attended Epworth anytime during the past 50 years, Epworth invites you to join the homecoming activities.

At 4 p.m., there will be worship and a special mortgage "burning" ceremony at the church. About 5:30 p.m., a banquet will follow to officially mark the 50th anniversary. Bishop Gregory V. Palmer, bishop for the West Ohio area of the United Methodist Church, will be a special guest.

If you can attend the banquet, please call the church office (885-8015) to let us know **how many will be in your party. Please call by August 15. Don't miss this chance to rekindle old friendships, reminisce, or reconnect with current members of the Epworth community of faith.**
