FEBRUARY 2026

Ready to Go in 2026

At the January 2026 Forest Park Civic Association Meeting those officers, committee chairs, and Area Reps were sworn in for another year of service to the neighborhood. State Rep. Munira Andullahi, (front row, far left) who is also a Forest Park resident performed the swearing in process for all members. Thanks to the many volunteers who have committed to keep FPCA going in 2026. There is still plenty of time for your help or assistance. Contact any of the board members listed on Page 2 of every Forester. They can suggest to you simple ways you can help your community.

The Columbus Recreation & Parks Department is considering increasing programming fees and shortening hours of operation at Columbus Recreation and Parks.

The future of senior programming in our community centers depends on community support and engagement. The City needs the community's feedback.

Please attend the listening session on Tuesday. February 10, 2025, 11:30 AM - 12:30 PM, at Gillie Community Center, 2100 Morse Road.

FOREST PARK CIVIC ASSOCIATION MEETING

Date: Jan 13, 2026

Location: Epworth United Methodist Church

Meeting called to order @ 7:04 PM by Ashley Howard, Quentin Monden

The Pledge of Allegiance was recited.

Attendance was taken via roll call.

OFFICER REPORTS

1. Secretary Lou Bernard read the Slate of Candidates running for positions in the FPCA for 2026. Copies of the "Slate" were made available. Also copies of the FPCA Constitution & Bylaws, and Volunteer Code of Conduct were made available.

Representative Munira Abdullahi swore in all Board of Trustees, Committee Chairs, and Area Representatives. Rep. Abdullahi is our representative for Ohio House District 9.

President Quentin Monden - quentinmonden@fpcivic.org, Ashley Howard - ashleyhoward@fpcivic.org

1. Scott Biggs and Lou Bernard presented Ed Vanasdale with a plaque thanking him for his years of service and dedication to the FPCA.

We had the Open Forum meeting on 12/9/2025. Additionally, we have shared a link to a Google Form survey to solicit feedback from the Forest Park Community. Thank you to everyone who attended the Open Forum and those of you who have completed the survey. We will have more details to share from the survey and open forum at our next meeting when we have more time.

Guest Speakers:

Representative Munira Abdullahi gave an update on things she is working on.

- Her main focus is on affordable healthcare including controlling the cost of insulin and other needed medications. Her other main focus areas are in consumer protection and affordable housing.
- She was able to secure \$500k to Elevate Northland, and another \$500k to help repair the lakes in Minerva Park. She is working hard to improve and bring money in and to improve the Northland area.
- Rep. Abdullahi grew up and lives in the Forest Park neighborhood. She is passionate about helping our area and is always willing to listen to your concerns. Feel free to call or text - 614.500.0103

Guest Speaker

A lawyer representing the church that purchased the former Red Lobster building on Route 161 attended the meeting to discuss the proposed plans for the site and the variances required to move forward. Pastor Singh of Zomi Christian Church provided a brief overview of the church and explained the reasons for the relocation. General counsel for the church, along with a representative from the construction company, then outlined the requested variances, which include: (1) allowing the church to not sit within 25 feet of the service road and to use the existing Red Lobster footprint; (2) permitting parking in front of the building rather than exclusively behind it; and (3) reducing the requirement for a significant number of windows facing Route 161, as such a design is not conducive to the functional needs of a church. The speakers were asked by the City to come and present to the community that will be impacted. They were not seeking permission, just information - for us and for them. They are still in the process of planning, and do not expect to start construction for awhile.

Attendance Sheet thru Jan: online

Treasurer Cheryl Lutman - cheryllutman@fpcivic.org

1. December was an extremely quiet month. Nothing was received in December.

2. Our goal is 450 household memberships (that's just 16% of the total residents!) to cover our minimum operating expenses. Imagine what we could do if we had more resources - more security patrols, more events, more opportunities to meet and get to know your neighbors. I encourage everyone who hasn't joined yet to visit our website (fpcivic.org) and join! It's just \$30/year per household. Do you rent? We welcome you to join as well!

3. We did meet our income goal to balance the budget for 2025.

4. Other income was advertising revenue.

Our only expenses were the security patrols and supplies for our Welcome Committee.

Our January FPCA meeting was a busy one and well-attended by many residents. We thanked our outgoing President, Ed Vanasdale (at left), for his service and advocacy over the past three years (and several previous terms in past years). We welcomed our new Co-Presidents, Quentin Monden and Ashley Howard (center), and heard an update from special guest State Rep. Munira Andullahi, who is also a Forest Park resident. Rep. Andullahi also swore in all FPCA 2026 officers, committee chairs and area representatives.

Northland Community Council Report January 6 Meeting Submitted by KenGilbert

The January meeting of the Northland Community Council took place at Westerwood, on Tuesday the 6th. The report from our police liaisons noted that hotel break-ins in the Northland area are still happening and are increasing. There will be a meeting to discuss the progress on the Green Line (rail trail) at Woodward Park Rec Center: Wed Jan 14 at 5:30 pm. Free trees for Earth Day 2026 are available from the Green Columbus website at www.earthdaycolumbus.org. They are free if you order 50. There is a charge for smaller amounts. Also note that FACT has supplies available for community cleanups.

A 311 tour has been announced—folks from the 311 office will be visiting civics throughout the city. Contact City Community Liaison Devin Deal for more info. There was a discussion of the Columbus Water and Power letter. They have contracted with an outside group to offer insurance. The letter is real. Signing up for this insurance is not mandatory, however.

The Roundtable Discussion was about the next round of the Zone In process. Residents are encouraged to find out more and make their options known. Phase 1 is just the first step in an ongoing process. More info at: <https://zone-in-columbus.hub.arcgis.com/>

Planning for the next 4th of July parade, for the 250th anniversary of the United States, is ongoing. It will cost more this year, as the city is now requiring barricades at many intersections. The committee is looking for an appropriate Grand Marshal. See northlandparade.org for more information and planning meeting times.

Planning continues for the NCC banquet in the spring. Nomination forms for community awards will be going out soon to the civics. They will be due back by the end of February.

Finally there was a brief presentation from FESTA who are offering ESL (English as a Second Language) classes and are looking for volunteers. They focus on families so that both children and parents have the opportunity to learn English. See WEAREFESTA.org for more information. Classes are Tu-Th 6-8:30 pm at Northwood Career Prep HS.

to the Northland High School students and teachers who volunteered at INPREM back in November 2025. The extra help was a Godsend during the busy holiday season with so many immigrant and refugee families no longer receiving SNAP food assistance. Good to see our young neighbors helping folks in Forest Park, Northland and the Columbus Community.

INPREM Food Pantry located on the corner of Karl Road and 161 needs volunteers more than ever to help distribute food during the holidays. Volunteer sign up and hours of operation can be found at the website INPREM.org

Dear Neighbors:

The real estate market is still staying active even though the interest rates have gone up a bit. Let me help you find your next home whether it be a **NEW BUILD** or an **EXISTING HOME** or a **CONDOMINIUM**.

I specialize in this area and I'm always here to help. If you are thinking of making a move - please give me a call and let me show you what Howard Hanna and I can do for you. I hope you have a **GREAT 2026!**

THE MYTH: Winter is **NOT** a good time to sell a house.

THE TRUTH: Winter is an **EXCELLENT** time to sell your house!

THE REASON: Many people believe the myth, so there are fewer houses on the market; But the buyers are more serious at this time. (If buyers are out hunting in the snow, sleet and cold - they are usually pretty committed to purchase a home!) So, serious buyers & fewer homes on the active market = one of the best times to sell!!
